

REDUCE COSTS

With Managed Services

Enterprise level support for your small business

Learn how

Reap the benefits of Enterprise Level Support

Our Managed Services removes your organization's requirement to commit internal resources to implementing, maintaining and managing new processes and/or functionalities.

Packages Available:

- **Managed Basic**
 - Includes the administration and maintenance of your product, to ensure it operates seamlessly at its basic level of performance.
- **Managed Plus**
 - Includes not only the administration and maintenance of your product but includes the management of your requests, added features and extended functionalities at its plus level of performance.
- **Managed Premium**
 - Includes not only the administration and maintenance of your product but includes the management of your requests, added features and extended functionalities at its premium level of performance.
